

Scholarship guide

Academic year 2026 – 27

Families with children in Threes through 12th Grade are eligible to apply for a scholarship. Children in KG–8th grade must be enrolled in the standard day and extended care programs to receive a scholarship. There are no scholarships for infants, toddlers, and twos other than the CCW subsidies and staff benefits.

Divorced parents apply separately with tuition responsibilities divided proportionally based on income or court orders.

All families applying for a scholarship or requesting tuition assistance will meet with the CEO to finalize their scholarship award.

Standard tuition formula

Tuition is based on	Adjusted Family Income (AFI)
	Adjusted Gross Income (AGI)

AFI = AGI + Schedule C/E adjustments + Certain deductions: Income earned from Yeshiva, TELC tuition for children in infants, toddlers, and twos daycare expenses paid outside Yeshiva (up to \$5,000), school tuition paid to other institutions up through college (up to \$5,000), and medical expenses above \$8,000 per year.

Minimum tuition amounts apply based on AFI and family circumstances

Tuition percentages

Threes - 8th	13% of AFI
High School	5% of AFI <i>Family also has students in TELC - 8</i>
	17% of AFI <i>Family does not have students in TELC - 8</i>

Minimum tuition requirements
